Planning and Development Committee Monday, 2nd April, 1973 Report P.D. 64/72-73 GL/M

## PROPOSED CONSERVATION AREA: SUNNYHILL ROAD, S.W.16

- 1. On 14th July, 1971, the Council approved the making of a Compulsory Purchase Order under Part III and V of the Housing Act 1957, embracing the greater part of Sunnyhill and Wellfield Roads between Valley Road and the junction of Farm Avenue/Sunnyhill Road/Wellfield Road in the west.
- 2. Within this area the property exhibits varying degress of maintenance, and a variety of architectural characteristics. At the western end of Sunnyhill Road, on both sides, the houses consist of two storey semidetached cottages, built of London stock bricks with slate roofs. These too include houses in both satisfactory, unsatisfactory and in a very advanced state of disrepair. Recently, one pair, nos. 77 and 79, have been demolished.

It is considered that this relatively compact area as shown on drawing no. UD/CON/162within the C.P.O. should be designated a Conservation Area under S.277 of the Town and Country Planning Act 1971, and following designation the houses within should also be protected by a direction under S.8 of the Town and Country Planning Act 1972 (which conveys power to control the demolition of buildings).

- 3. A feasibility study UD/M/305 is displayed which indicates how a combination of infilling and rehabilitation could provide for the retention of these properties within the conservation area.
  - RECOMMENDATIONS:- (1) Subject to the observations of the GLC the Council be recommended to designate under S.277 of the Town and Country Planning Act 1971 the areas shown on Plan No. UD/CON/162 as Conservation Area No. 15 (Sunnyhill Road) and inform the Secretary of State for the Environment accordingly.
    - (2) Make a direction under Section 8(2) of the Town and Country Planning (Amendment) Act 1972 to control the demolition of those buildings in Conservation Area No. 15 indicated on Plan UD/CON/162 and described on Schedule No. 15.
    - (3) The Secretary of State be asked to confirm this Direction as soon as possible.
