Sir / Madam,

Draft Hyde Farm Conservation Area Character Appraisal

Hyde Farm is a conservation area in order because its special architectural or historic interest. I am writing to inform you that the Council is seeking views on its new draft Character Appraisal for the area.

Appraisals are undertaken so that we can properly understand what makes the area special in order to ensure we manage the conservation area effectively. Property owners, building managers and their agents will be able to use the document when they are formulating proposals affecting the conservation area and the document will also help inform planning decisions.

I enclose a copy of the draft document for your information.

- The consultation runs from **17 February – 15 March 2014**
- Responses can be e-mailed to planningconservation@lambeth.gov.uk ; or made in writing to the address at the bottom of this letter.
- If you have any questions please e-mail or call the conservation officers on 02079261000.

All responses will be considered in detail and used to inform the final version of the document. When the appraisal is complete we will begin work on a new guidance document for the area.

We look forward to hearing from you.

Regards,

Doug Black
Team Leader (Conservation & Urban Design)
