Consultation: Draft Revised Lambeth Local Plan Proposed Submission

Dear Sir/Madam,

Thank you for your email dated 31 January 2020, advising Highways England of the above consultation.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN.

Within the area covered by Lambeth, there is no SRN. We have no comments on the Draft Revised Lambeth Local Plan as there would be no consequential impacts on the SRN. If you have any queries with our response, please do not hesitate to contact us.

Regards,

Kayley Smith (On behalf of Janice Burgess, Area 5 Spatial Planning Manager)
