Dear Ms Carpenter

Draft Revised Lambeth Local Plan Proposed Submission

We have no further comments to make following our responses on previous drafts, dated 4 December 2017 (our reference SL/2007/101496/CS-08/IS1) and most recently 16 January 2019 (our reference SL/2007/101496/CS-09/PO1).

We are supportive of the policies included that protect the environment and seek to reduce flood risk.

Please find attached two useful documents for your information relating to the Thames Estuary 2100 plan. The Council briefing attached is currently being updated to remove the requirement for implementation plan objectives. If you have any questions about these 2 documents, or our response, please let me know.

Yours sincerely

Mrs Carly Cudmore
