

What would you like to see in the area?

How can the area be improved?

WEST NORWOOD & TULSE HILL
GIVE US YOUR VIEWS...

MORE HOMES? MORE JOBS? MORE SHOPS? BETTER STREETS?

We are developing a clear plan to help guide how West Norwood and Tulse Hill changes in the future.

We've had a very busy summer collecting and taking stock of your feedback via Commonplace and our town centre events. Now we want your views one final time, to test specific ideas and projects for the area.

Come to one of our events to **view the plans & provide feedback!**

Can't make it to either event?

From 3rd to 17th October: view the unattended exhibition in person at St Luke's, or view it online via our Commonplace page: westnorwoodandtulsehill.commonplace.is
