REAL MEN KNOW THE DIFFERENCE. AND SO DOES THE LAW.

No matter how much she has drunk, no matter what she is wearing, no matter if you have already kissed - **sex without consent is rape.**

Just because she is flirting with you, it doesn't mean she wants sex.

A woman saying yes to a drink doesn't mean yes to sex.

One night out could lead to losing your job, respect from your friends and family and gaining a criminal record.
