We all have a role to play in protecting children and young people from child abuse and neglect.

You don't have to be absolutely certain about your suspicions; if you have a feeling that something's not right, talk to your local children's social care team who can look into it.

Child Abuse. If you think it, report it. Anything you notice can help a child at risk. Visit [gov.uk/tacklechildabuse](https://www.gov.uk/tacklechildabuse) to find out how.
